MEMORANDUM FOR: Project Director of Administration, PCS/DCI

SUBJECT : Clothes for Detachment A

1. [redacted] has informed me that on 6 April he discussed the matter of clothing to be worn [redacted] with [redacted] who was here at Project Headquarters.

2. [redacted] was somewhat exercised over the prospect of having to enforce suppliers attached to the Detachment into wearing presentable clothes at meals in the Officers' Mess. [redacted] mentioned this to [redacted] who, rather than being concerned, was rather pleased at the prospect. However, and this is the matter I wish to bring to your attention, in speaking for the other suppliers as well as himself he stated that no one has informed them as to what type of clothing they should take with them.

3. Don't you think we should advise [redacted] to give them the word?
